BOX PATENT APPLICATION
COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

PETITION TO ACCEPT COLOR DRAWINGS
UNDER 37 CFR §1.84(a) (2)

SIR:

Applicants hereby petition the United States Patent and Trademark Office to accept color drawings (Figures 13 through 22) in the enclosed utility application. Applicants respectfully submit that the use of color drawings is necessary to a complete understanding of the invention, because the color drawings represent computer screen shots seen by an agent using the invention, the computer screen shots actually seen by the agent

are in color, and color is necessary to distinguish among the many different items that are displayed on the computer screen.

Furthermore, several of the drawings show flags of various countries, including the flag of the United States of America. It would be disrespectful if we had to show the flag of the United States in black and white, rather than in red, white, and blue.

Enclosed herewith are:

- 1) The \$130.00 fee set forth in 37 CFR \$1.17(h).
- 2) Three sets of the drawings (Figs. 13-22) that are in color.
- 3) A black and white photocopy that accurately depicts, to the extent possible, the subject matter shown in the color drawings.
- 4) The specification as originally filed contains the language: "The file of this patent or application contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the USPTO upon request and payment of the necessary fee".

Respectfully submitted,

date of signature:

Nov-7, 2001
